# **Broseley Wood Charity**

**(Charity No: 512467)**

## **Notes for those intending to request assistance**

The Broseley Wood Charity is a small charity with the capacity for only limited annual assistance. In view of this, if the trustees award a grant then it may only be for part of the cost of the transport. An application does not guarantee that an award will be made.

The charity is not allowed to make an award for:

Students not resident in the Broseley or Barrow Parishes.

Students who are eligible for funding from local or national government bodies.

**This award system is intended for those who are finding difficulty in funding the transport costs so please do not make an application if this does not apply to you. Available funds are limited.**
